

A FAITH-BASED CONFERENCE FOR COUPLES

COUPLES CONFERENCE

Rebuilding Trust After Betrayal

For couples facing betrayal trauma from sex and porn addiction

When sex or porn addiction breaks into a marriage, both spouses are wounded. One is fighting a battle they've hidden for years. The other is reeling from betrayal they never saw coming. This conference is a safe, faith-based place for couples to stop surviving and start healing together.

Led by Christian Biscotti, a retired U.S. Air Force chaplain and Pastoral Sex Addiction Professional who walked this same journey with his own wife and family. Couples will learn what addiction really is and how betrayal trauma affects the hurting spouse. They'll get honest, practical steps toward rebuilding trust, intimacy, and a marriage that honors God.

You don't have to walk this road alone, and your story isn't over.
