

A FAITH-BASED CONFERENCE FOR WOMEN

WOMEN'S CONFERENCE

Healing from Betrayal Trauma

Finding out about your husband's sexual or pornography addiction can shatter your sense of safety, your trust, and even how you see yourself. Many women carry this pain in silence, feeling ashamed, confused, and alone. This conference is for you.

In a safe, confidential, faith-based setting, you'll learn that what you're feeling has a name and that it isn't your fault. You'll find practical tools for setting healthy boundaries, caring for your heart, and taking the next step, whatever your marriage looks like right now.

Most of all, you'll be with other women who understand, and you'll be reminded that God sees you and that healing is possible.
